

**USS SAVAGE
DE/DER 386
REUNION
Galveston, Texas
September 30-October 5, 2012**

Ahoy Shipmates,

It's that time again. Time to make our reservations for the upcoming reunion.

The dates for this year's USS Savage Reunion are September 30-October 5, 2012.

The reunion will be held at the **Casa Del Mar Beachfront Suites. It is a condominium.** This year instead of a hotel room we will all be in suites with a full kitchen. Each suite will sleep up to six people. It has one bedroom with a sleeper sofa in the sitting room as well as a pair of bunk beds. Each Suite has a full kitchen with basic cookware, silverware, plates, bowls, etc. so you can go to the grocery store and make your own meals. That's all we need, to cook and wash dishes on our vacation!

The price is \$74.00 plus tax per night. You must tell them when you make your reservations that you are with the U.S.S. Savage group to get the group rate. If you come a day or two early or stay a day or two afterwards it will be the same rate. **The cut-off date to get the group rate is September 15, 2012.** The Condo is located at **6102 Seawall Boulevard, Galveston, Texas 77551.** (or Seawall Blvd. at 61st street.) Check them out at www.casadelmartx.com **Phone (800) 392-1205 or (409) 740-2431.** Parking is free and located underneath the condo. The Beach is across the street. All suites has an ocean view from the balcony.

The Hospitality Room also has a full kitchen so Ernie Velez is cooking breakfast Monday morning and Paul Doster has volunteered to do the same on Wednesday. Of course each will need a few volunteers. So bring your aprons!

Ernie has some good things in the works for us to do. Since my medical problems have come up I haven't been much help to him but he has done a fantastic job for us. More information will be sent at a later date.

Speaking of my health. I have problems with my kidneys and was placed on dialysis. But somehow things got better and my doctor said I didn't need it any longer and I got off of it for a couple of weeks. But it didn't work so I am back on it. Thanks for all the calls and cards.

I know I have dropped the ball on the reunion and I apologize, but it is just something out of my control. Ernie was supposed to help me with it. And now he is doing it without my help and I thank him for it. Since I am still not up to par, Mrs. Gene Hansen offered to finish it. Thanks Linda.
